

Frequently Asked Questions

Q. What are the base ingredients for a basic cheesecake?

A. **The original cheesecake has cream cheese and assorted ingredients on a graham cracker crust. The vegan cheesecake has the same composition but with a vegan cream cheese alternative and all other vegan ingredients.**

Q. Are the low sugar and sugar-free cheesecakes also low fat?

A. **Yes. They each have 1/3 less fat than the standard cheesecake.**

Q. Why does the low sugar cheesecake cost more than the sugar-free cheesecake?

A. **The low sugar cheesecake is made with a special sweetening blend that is only produced by a few companies, and it is more expensive than the pure sweetener used in the sugar-free cheesecake. (The blend used in the low sugar cheesecake contains two grams of sugar per serving.)**

Q. Do you ship your cheesecakes?

A. **Yes. Shipping rates usually start around \$18.00 because we use insulated boxes for shipped orders.**

Q. How far in advance should I place my order?

A. **Two days in advance is appreciated for pick-up orders, and a week in advance for orders that will be shipped. Pick-up orders that are needed in one day may be accommodated for an extra \$5.00.**

Q. Do you accept any methods of payment besides the ones listed on the front cover?

A. **Yes. Cash and money order are also accepted.**

Q. Will tax be added to the price of my order?

A. **No.**

Q. Is prepayment required?

A. **Only in the following cases:**

- **Shipped orders**
- **Any order over \$50.00**
- **If you have placed an order in the past but then never came to pick it up (or have cancelled at the last minute)**

NT

L-R: original sugar-free death by chocolate cheesecake; original standard Butterfinger® cheesecake; vegan standard pumpkin Simples

Our 9” cheesecakes are prepared with all natural ingredients, and the preparation process never starts until after you order them. Many of our flavors are not listed because we have such a wide variety on hand that there are few flavors we *don't* have. If you would like a variety that we do not have on hand after all, we will do our best to make it happen.

ORDER YOURS TODAY!

A portion of the sale of every cheesecake will be donated to these organizations:

ORIGINAL
